#### THE COORDINATOR'S CORNER

Hello to all of our USS Ramsey and USS Schofield Shipmates,

I hope you are well and getting past all this COVID-19 stuff. The lock-downs have been difficult throughout the country. We have been waiting to hear from Las Vegas on the COVID-19 restrictions. The good news is that the COVID-19

restrictions were lifted June 1st, All the issues around the hospitality room and Banquet have been resolved, so we are moving ahead with the October 10-13 reunion at Arizona Charlie's-Decatur. See contact information in this newsletter or on the Facebook web pages. We will be stocking and maintaining the Hospitality room ourselves and I know we can work together to make that happen. American Legion Post 8, Las Vegas, will be providing the Banquet facility and a buffet meal. We will need everyone's cooperation to make this a great reunion. So I urge you to make your travel plans and contact Arizona Charlie's, 1-800-342-2695 and reference group code C-NAVY, to make reservations. Any questions, do not hesitate to ask. Thanks,

BT2 Doug Minnis-Reunion Coordinator

## Gerald Sigman by Michael Clark

Here's a little story about Gerald Sigman and myself.

Gerry and I grew up in Hoboken, New Jersey. We were attending Hoboken High School together. He was one class behind me. I graduated in 1966 and he in 1967. I couldn't stand him when we were in high school because he was always chasing my sister home from school. When I graduated I was glad that I didn't have to look at him again or so I thought.

I went in the Navy in May 1967, boot camp at Great Lakes then to USS Talladega (APA-208). Talladega was put in the inactive status and some of the crew were sent to PRE-COMMDET SCHOFIELD in San Diego. In 1969 we just arrived back in Long Beach after the ship's second WESTPAC.

One morning after reveille, I went up to the head to shave and clean up and when I came out of the head I got to the top of the ladder. I looked down and here was this new guy standing there giving me the finger. I thought "who the hell is this new guy think he is giving someone the finger". We called it the Hoboken salute. Anyway, he came up the ladder and stood in front of me with this big smile and said "it's me Gerry". I asked him what he was doing there and he said he had just reported aboard. I looked at his sleeve and said "you're a radioman too" and I went down to the compartment. He knew I was still miffed at him. So I got in to the compartment and I told RM2 Steven Danzis to keep him away from me.

Since the day he reported aboard he was constantly on me about burying the hatchet but I absolutely refused. But Gerry was persistent. After about 3 or 4 months of him pestering me, I gave in to him. I told him we're both radiomen and we have to work together and there can't be any friction between us. We shook hands and became the best of friends. Gerry and I hung out together and we went everywhere together. Where you saw one, you saw the other.

We used to hang out at the amusement park in Long Beach, I think it was called The Pike. He met a girl down there but she didn't separate us. Gerry and I were very close and she didn't

mind. One night I had duty and he asked me if he could barrow my car so I lent him the car. Next morning there was no Gerry and I thought he'd been in an accident. It's after 0800 now and I get a call. It was Gerry. I asked him where he was and he told me he was in Vegas and he got married to the girl he met in the Pike. That marriage didn't last long for some reason. He said he was on the way and asked if I would cover for him. So I pulled the LPO, RM1 Moriarty, aside and told him Gerry had called and is on his way back to the ship.

One thing I remember that Gerry and the others in the watch section did that almost destroyed our friendship. We were at sea and a flash message came in and I took off to get it to the captain. When I got back to radio, he handed me another flash message and I took off with it again not knowing it was a fake message. I was fuming at Gerry and the watch supervisor. Moriarty was also fuming about it because it's against the rules to create a message to look real. So the RM2 supervisor was removed from supervisor and I, as an RM3 took over. I was hard on Gerry for the stunt he pulled but soon forgave him and the friendship was salvaged.

I thank God, the navy and Schofield for bringing two high school boys who weren't friends in the beginning and bringing us to be close friends. I'm in the Facebook Radioman group and have made a post regarding his passing and the comments just make me cry. Gerry and I kept in touch a bit through Christmas cards and email. He sent me some picture post cards of what Hoboken looks like today. I'll treasure them until the day I die.

Rest In Peace Geral	d Sigman,	a good	friend, f	el-
low radioman and sh	ipmate.			

\_\_\_\_\_

That's the story of Gerry and myself. I will definitely miss him.

Peace to all of you,

Michael
